

Summit Lake State Park

Presents

Kayaking the Fall

October 6th, 2012 2:00pm

Join Amber for an interpretive Kayak Paddle on the lake, and enjoy the beauty of Autumn!

We will be launching from South Dock and travelling the coves on the South side of the lake.

This Paddle should take approximately 1.5 hours. Please bring something to drink and dress appropriately for the weather. All boats must have a 2012 Lake Permit to launch on the lake. Each Boater is required to have a life vest in the boat.

Paddleboats, Canoes, and Rowboats are available for rental.
